

Privacy Pledge

Morrison Child and Family Services pledges to respect and guard the privacy of our donors and supporters.

We will remove your name from our mailing or email lists upon your request. Please contact us at (503) 258-4290 or development@morrisonkids.org and give us the complete name and address you would like removed.

Morrison Child and Family Services Contributor's Privacy Policy

Morrison Child and Family Services values your participation and support and is committed to protecting your privacy.

Morrison does not share, sell, exchange or rent your personal information to any organization or individual, including other nonprofits, businesses or telemarketing centers. Morrison Child and Family Services will not divulge your personal information to any other organization or individual except as necessary to transact, fulfill or account for online donations and purchases.

Morrison Child and Family Services may use your phone number if we need to verify information, to thank you for your contribution, to respond to your request for contact from Morrison or to conduct a phone-a-thon.

What Information Does Morrison Collect?

Online activity

Morrison Child and Family Services strives to maintain a safe environment on our website. When you use the website to make a donation, register for an event, or volunteer, Morrison will ask you for your name, address, e-mail address, telephone number, fax number as well as other relevant information (e.g. event specific for preregistration).

Morrison collects some non-identifying basic information from server logs. This includes total number of visitors, pages viewed, type of browser used (e.g., Netscape, Internet Explorer), type of operating system used (e.g., Mac OS or Windows 2000), domain name of your Internet service provider (e.g., America Online, EarthLink, Comcast) and frequently used search words.

All contributor information collected electronically is kept in a password protected donor database.

Research and donor records

During the course of researching prospective donors, Morrison follows standard development procedures for collecting publicly available information and keeping records related to fundraising, including giving history, contact reports and information found in the press and on the web.

Donors may review the information in their records. Contact Morrison Child and Family Services Development Administrative Specialist, 9911 SE Mt. Scott Boulevard, Portland, OR 97266. You may also email development@morrisonkids.org or call (503) 258-4290.

How Do We Use Your Information?

Morrison uses non-identifying basic information (aggregate data) to analyze site usage and to improve the content and design of the website. On occasion, Morrison may share aggregate data with sponsors, partners and other third-parties about donations, event attendees, volunteers and advocates (e.g., total number of donors, total amount of donations for specific periods, average gift size, total number of volunteers for specific projects or events). These statistics will not include any personally identifying information. Morrison Child and Family Services uses personally identifiable information you provide about yourself: a) to respond to your questions or comments about Morrison services; b) to register you for requested events and verify your identity; c) to fulfill requests about employment, volunteering or advocacy; d) to process your donation, verify your identity and send you a tax-deductible receipt; e) to thank you; and f) to send you additional information about Morrison programs, services and needs that we believe will interest you.

Morrison Child and Family Services produces an Annual Report, in which we list all donors, unless they ask that the gift be anonymous. The Annual Report is posted on Morrison's website and available to the public.

How Do We Provide a Secure Environment for On-line Transactions?

A third party handles Morrison's on-line credit card verification process. This organization needs your name, address, credit card number and expiration date to process your transaction. Its security and encryption technology offer the highest level of security and encryption to ensure the confidentiality of your transaction. On-line forms to volunteer, to advocate or to sign-up for our mailing list are not encrypted.
